

## ELLESMERE COLLEGE YEAR 13 MOCK A LEVEL EXAM RESULTS

**House:** St. Luke's    **Tutor:** 13RJM    **Name:** Rescigno, Alberto

SUBJECT	MOCK RESULT	ACTION POINTS
Computer Science	A*	Areas to improve include:- Paper 1: Methods, Nodes and buff up on python writing. Then in Paper 2: Fixed Point Binary and databases. This is list is by no means exhaustive and all areas of the syllabus need revising to a high level.
Further Mathematics	A*	Excellent performance - make sure you are confident with topics that were not covered. Try exam papers from different exam board.
Mathematics	A*	Very well done. Make sure you are also confident in topics that have not been covered in the mock exam
Physics	A*	Highlight specifics on 6-mark questions to ensure full coverage. Review gravitational fields. Review standing waves.
